

*Squeeze*

(Mulder and Scully are standing in Usher's office)

MULDER: Reputation?

SCULLY: Mulder, look.

MULDER: Spooky?

SCULLY: Ten murders, Colton never mentions... Of course. Well, what then?

(Mulder gets up and stands beside Scully)

SCULLY: Mulder, they don't want you involved. You're down here too. Mulder, what the hell are you doing here? Mulder, you are jeopardizing my stakeout.

MULDER: Seeds?

(Mulder leaves and Scully gets back into the car. Mulder runs back to Scully)

SCULLY: Position ten requesting backup.

MULDER: In there.

(Mulder and Scully are walking through an office floor of the bureau)

(Scully goes to turn away but Mulder stops her, he is touching Scully's necklace)

(Scully enters the room)

MULDER: I found him.

SCULLY: Apartment 203.

MULDER: What about the prints?

SCULLY: 2023

(Mulder and Scully go through the information for hours)

MULDER: Anything?

SCULLY: Here's 103. There's nothing here.

MULDER: Check this out.

SCULLY: I don't know.

MULDER: Somebody having a garage sale. Does he live in here? No, somebody made it.

SCULLY: Hibernates? Mulder.

(Scully stops suddenly)

MULDER: Scully?

(Back at scully's apartment)

[Mulder's answering machine]

MULDER: Dammit, ANSWER. SCULLY!
